TRAN TRUNG DUC

Aspiring Data Engineer / Software Developer
Interests: Technology & Digital Accessibility
Professional Email: trungductran1711@gmail.com

PROFILE SUMMARY

Grade 10 student on an awarded full-scholarship pathway (Grades 3–12) at Viet Anh 2 School, currently pursuing Data Engineering training (C4VN / MindX). Recipient of the Best Award in e-Combination at GITC 2026 and Second Prize in the Young Members Division at the 2025 National IT Competition for Blind People. Combines practical IT and introductory coding-tool practice with hands-on coordination as co-founder of the CHẠM youth initiative, peer IT guidance, and collaborator sales work. Seeking technology scholarships, structured training programs, and appropriate technical internships.

EDUCATION, SCHOLARSHIPS & TRAINING

Viet Anh 2 Primary, Secondary and High School (Trường Tiểu học, THCS và THPT Việt Anh 2) | Grade 10, 2026–2027 Academic Year

- Awarded a full-scholarship pathway covering Grades 3–12; studying the national curriculum alongside the school's Cambridge English program.

Data Engineer Course — C4VN Scholarship (Sponsored & Supported by MindX Technology School) | In Progress

- Foundational coursework oriented toward Data Engineering.

Additional Language & Digital Training:

- **WE SHARE – WESET English Scholarship** (Episode 10, 2026).
- **DEVI English Course:** Certificates of Excellence — Batch 11 Com 11 (Mar–Jul 2026, *Successfully Completed*) and Batch 10 X-Com (Sep 2025–Jan 2026, *Excellent Completion*).
- **DRD Center — SEO Course** (Jan–Mar 2026, completion certificate); self-study in online sales starting late September 2025.

SELECTED IT ACHIEVEMENTS

- **Best Award — e-Combination (Visual Disability Sector), GITC 2026** | Organizing Committee, *Global IT Challenge for Youth with Disabilities* | 2026
- **Second Prize — Young Members Division (phần thi Hội viên trẻ), 2025 National IT Competition for Blind People (Third Edition)** | 2025
  - Accompanied by a Ministerial Certificate of Merit (Bằng khen) from the Minister of Science and Technology (Dec 2025) recognizing this competition result.

LEADERSHIP, TEACHING SUPPORT & COMMERCIAL EXPERIENCE

Co-founder (One of Five) and Human Resources & Logistics Lead — CHẠM Initiative | July 2026 – Present

- **Concept & Risk Planning:** Co-developed the initial project concept and contributed to implementation scenarios and risk-prevention plans.
- **Team & Operations Coordination:** Recruited members, created project forms, and helped coordinate activities and workshops.
- **Workshop Logistics & Outreach:** Purchased supplies, prepared and printed materials, arranged venues, and supported communication and outreach to connect CHẠM with Trung tâm Bảo trợ Khiếm thị Nhật Hồng.
- **Collective CHẠM Team Outcomes (Top 10 YAI 2026 — YNet Vietnam & UNICEF Vietnam):** The team delivered 3 workshops reaching over 60 blind, hard-of-hearing, and Deaf adolescents (ages 12–18), produced 5 Braille handbooks, and produced 5 Vietnamese Sign Language videos.

IT Class Support & One-to-One Peer Guidance | Gia Lai Provincial Association of the Blind (June 2026) & Peer Support

- Assisted with practical IT learning in the June 2026 Gia Lai IT class for blind learners; occasionally provides one-to-one IT and screen-reader guidance to fellow blind peers.

E-commerce Sales Collaborator — Dropbuy | September 2026 – Present *(distinct from laptop referral activity)*

- Selects and shares product links, posts promotional content, advises customers, creates and assists with orders through platform workflows, follows up on orders, and earns commissions; achieved **10 completed Dropbuy orders**.

Laptop Sales Referral Collaborator | September 2025 – Present

- Proactively identifies prospective buyers, collects contact details, and refers leads to the seller; contributed to **4 completed laptop orders**.

Additional Community Participation: Program delegate completing **UNICEF YAI Cascade Training** (Jan 2026, Ho Chi Minh City) and **Communication Ambassador** for *"Vọng khúc miền di sản"* (Ngàn Năm Đất Việt).

TECHNOLOGY, PROGRAMMING TOOLS & ASSISTIVE SKILLS

- **Office Productivity & Information Research:** Microsoft Word, Microsoft Excel (worksheets, functions, charts), Microsoft PowerPoint; online information search and source evaluation.
- **Programming Tools in Practice:** Uses and practices **Python** and the **Visual Studio Code (VS Code)** code editor during ongoing study.
- **Assistive Technology & AI Tools:** Combines the **NVDA** screen reader, keyboard-based navigation, **Braille**, **Be My Eyes**, and complementary assistive tools in real workflows; uses **ChatGPT** and **Gemini** for study and competition preparation.
- **Communication & Languages:** Presentation, writing, and customer communication; Vietnamese (native) and English (Cambridge track, DEVI certificates, WESET scholarship).

SELECTED WRITING & PRESENTATION RECOGNITIONS

- **Third Prize — 2026 Vietnamese Presentation Competition *"Hành trình chinh phục tri thức – Vươn tới tương lai"*** | Vietnam Blind Association (2026).
- **Published Vietnamese Essay:** "Ánh sáng từ những bàn tay vô danh" — Tri Thức – Znews (September 15, 2026), associated with Third Prize in the *"Viết câu chuyện, một Thành phố"* writing contest (2026).
- **Additional 2026 Writing Recognitions:** Notable Featured Person Recognition (*"Giải Nhân vật tiêu biểu"*) in *"Ngày mai trong mắt em"* and Consolation Prize in *"Khắc sâu lời Bác – Tỏa sáng tấm gương 'Tàn nhưng không phế'"*.
